Attorney Docket No. 98,365-B1

: DECISION DISMISSING LETTER  
:  
:

This decision is in response to applicants' "APPLICANT'S COMMENT ON PATENT TERM ADJUSTMENT CALCULATION AND FILING OF TERMINAL DISCLAIMER" filed on July 15, 2005 requesting that the Office review the Patent Term Adjustment at the time of the issuance of the patent. Applicants' assert that the PTA determination may be inaccurate because the Office did not take into consideration the filing of a terminal disclaimer.

The applicants' Application for Patent Term Adjustment is **Dismissed**. The correct determination at the time of the issuance of the application is four hundred and eighty-two days.

Applicants' assert that the patent term determination is incorrect because the applicants filed a terminal disclaimer in the application to obviate a double patenting rejection.

The applicants' arguments are not persuasive. The Office notes that it will make a PTA determination regardless of whether the application has filed a terminal disclaimer. The Office notes that the language of the front of the patent says the following : subject to any disclaimer, the term of this patent is extended or adjusted under 35 U.S.C. 154 (b) by XXX days. Accordingly, it is incumbent upon application to ascertain whether or not the additional time accrued for PTA can be enforced. Accordingly, applicant must review the language of the terminal disclaimer as well as the expiration date of the other patent to determine the expiration date of 09/772,819. See MPEP 2701 (2700-2).

A \$200.00 fee has not been assessed in this application and no additional fees are required by the Office. The Office thanks applicants for their good faith and candor in bringing this to the attention of the Office.

After the mailing of this decision, this patented application should be forwarded to the file repository for storage of the patented file.

Any additional questions should be directed to Kery A. Fries, Senior Legal Advisor, Office of Patent Legal Administration at 571-272-7757.

**APPLICANT'S COMMENT ON PATENT TERM ADJUSTMENT CALCULATION  
AND FILING OF TERMINAL DISCLAIMER**

Dear Sir:

- 1) Applicants are in agreement with the calculation of the Office, noted in the Determination of Patent Term Adjustment under 35 U.S.C. 154 (b) mailed October 6, 2004, that the Patent Term Adjustment to date is 482 days.
- 2) Applicants note that a Terminal Disclaimer to Obviate a Double Patenting Rejection Over a Prior Patent has been filed in this application, which may alter the applicability of the Patent Term Adjustment.

Respectfully submitted,
